

An illustration featuring various fire safety components. On the left, a red fire alarm bell is mounted on a blue server rack. In the center, a large red fire extinguisher is shown with a blue hose and nozzle. A worker in an orange shirt and dark pants stands on a blue ladder, holding the nozzle. To the right, another worker in an orange shirt and dark pants stands on the ground, holding a smartphone. A blue shield with a red flame icon and a prohibition sign is positioned near the extinguisher. A blue house icon with a red flame inside is also present. The background consists of stylized blue buildings and a light blue sky.
